PROFILE

Analytical and detail-oriented professional with over 10 years of cross-border business experience, combining a Master of Business Data Science (Distinction) with a Bachelor of Science in Computer Science.

Strong foundation in systems thinking, data analysis, and process improvement. Developed strong skills in data analysis, pipeline design, and translating technical findings into clear stakeholder outputs through academic projects and coursework.

Fluent in Cantonese, Mandarin, and Japanese, and experienced in regulated, multicultural business environments.

EDUCATION

Master of Business Data Science with Distinction

University of Otago, 2025–2026

Thesis: A Semi-Automated Pipeline for Fast-Food Brand Exposure Detection in Kids' Screen-Recorded Media — designed and evaluated a multi-model detection pipeline (YOLOv11, YOLO-World, OCR, CLIP) processing 700,000+ video frames, delivering structured analytical outputs for large-scale research use.

Bachelor of Science in Computer Science

Massey University, 2022–2024

Minor in Game Programming. Studied databases, software development, and systems concepts.

Higher Diploma in Contemporary Japanese with Merit

CUHKSCS, 2008–2010

CERTIFICATIONS

- LCCI Level II — Bookkeeping & Accounts — Pass with Distinction
- Xero L1 Associate & Xero L2 Professional
- Japanese-Language Proficiency Test Level 1 (320/400)

RECENT PROJECT — Sales Performance & Pricing Analysis

Built an end-to-end MySQL and Power BI workflow to analyse product performance, pricing effectiveness, and profitability, delivering an interactive dashboard to support business decisions.

WORK EXPERIENCE

Customer Service Representative | JFC New Zealand Ltd

Jan – Dec 2024

- Managed order processing and customer enquiry workflows, ensuring accurate and timely fulfilment across a multicultural NZ business environment.
- Coordinated with warehouse and logistics teams to resolve delivery issues and optimise operational efficiency.
- Supported product catalogue updates and operational coordination.

Accounting Assistant | SBI ALApharma Co., Ltd

Sep 2016 – Feb 2023

- Prepared and analysed financial statements across three Hong Kong branches and consolidated reports for Japan headquarters, supporting cross-border strategic reporting.
- Conducted cash flow analysis and trend monitoring to support budgeting and short-term business planning.
- Identified reporting inefficiencies and implemented standardised templates, reducing monthly closing turnaround time.
- Managed IT environment and supported workflow continuity during COVID-19, enabling seamless remote operations across multi-location teams.

Part-time Accounting Clerk | POJI CO., Ltd

Dec 2010 – Jan 2012

- Engaged during Japan Working Holiday to input three years of historical accounting data for the company's first tax filing, ensuring accuracy and completeness under a time-sensitive deadline.

Admin & A/C Assistant | KONISHI M&E; Co., Ltd

Jun 2010 – Dec 2010

- Interpreted for clients during company incorporation and bank account setup procedures.
- Managed client liaison with local secretarial services and provided general office support.

Accountant and Administrator | AJIS (Hong Kong) CO., Ltd

Jan 2012 – Apr 2015

- Led implementation of MYOB accounting system, improving accuracy and efficiency of financial reporting from the company's founding.
- Set up internal systems for petty cash operations and staff reimbursement.
- Prepared monthly and annual management accounts including P&L; and balance sheets, supported budgeting and cash flow forecasting.
- Served as bilingual liaison and translator between Japanese and Hong Kong stakeholders, enabling smooth cross-border operations.

Administration Officer | Budget Office Asia Ltd

Sep 2015 – Feb 2016

- Provided Japanese-English interpretation for finance and management meetings and translated key financial documents including year-end accounts.
- Managed petty cash and general office administration.
